### Granite Creek Cleanup Save the Date & Pre-Registration

On **Saturday, April 20, 2013**, Prescott Creeks will once again host the annual Granite Creek Cleanup, and we would like you to be a part of this important community event. Last year 650 volunteers removed 3 ½ tons

of trash from our local creeks and lakes – making the Prescott area a nicer place for everyone. Of that, approximately 1 ½ tons was upcycled into art materials. This is a chance for us all to enjoy cleaner creeks and a more beautiful area.

Pre-registration is available here: <http://granitecreekcleanup2013.eventbrite.com/>

There are many ways to support the CleanUp in addition to volunteering the day of. In-kind donations of supplies, membership support and business sponsorship all ensure that volunteers have the support and supplies they need on Cleanup day. For more information on sponsoring this event, email our Outreach and Communications Director, [Ann-Marie Benz](#).

During the last quarter of 2012, the final monitoring events for the Watson Woods Restoration Project were conducted for geomorphology, botany, macroinvertebrate zoology, herpetology, and ornithology, with results summarized briefly online [here](#).

Has updated our Mission, Vision and Values statements. Our newly updated information is available [here](#).

## Granite Dells Resort

Imagine. The old Granite Dells Resort. Smack dab in the heart of the Granite Dells, surrounding Granite Creek. Undoubtedly, it is one of Prescott's natural and historic gems. Read more on the Granite Dells Resort [here](#).
