Support Watson Woods and Clean Creeks

Did you know that Prescott Creeks is making a big difference in our quality of life? With a mission to restore, protect, and celebrate our central Arizona watersheds, Prescott Creeks has continued its impressive track record of success this year. One major accomplishment was that we organized 650 volunteers, who removed 3.5 TONS of trash from the creeks in the Prescott area.

Your gift says that you are thankful for our work and the quality of life it helps protect. Your support NOW will translate into more water quality activities, more restoration and protection efforts in the Watson Woods Preserve, and more education programs. [Donate here.](#)

Winter Creek Walk

Join Prescott Creeks for a Winter Creek Walk on Friday, January 25th, 5pm at Granite Creek Park near the La Guardia bridge. Hike the Greenways trail through West Granite Creek Park to see the historic Miller Creek bridge, then up the Granite Creek trail past the Community Garden. Learn the history of Prescott Creeks, it's connection to the trail, and plans for the future. It will be getting dark and might be chilly. Trails are relatively level, but dirt.
