

### WATSON WOODS LOOP TRAILS REOPEN

The Watson Woods Riparian Preserve Loop Trails are now 100% open. The northern loop had been closed since April due to nesting

Common Black Hawks who like to defend their nest territory. But good news, their chicks have graduated from the nest and the happy family has moved on so we can reopen the trail.

## Improve the Watershed

Join Prescott Creeks on an [invasive species removal spree](#). We'll teach you about invasive weeds, why they're the bad, and what you can do about them. We'll spend a little while pulling some weeds then, we'll spread native grass seed to out compete the weeds and improve the riparian habitat.

## One Man's Treasure

### Save the Date!

Prescott Creeks is very pleased to announce that One Man's Treasure will again take place in the Cross Roads Center on campus, on **Friday, May 22, 2015**.

The Arizona Highlands are a challenging place to garden, with low rainfall, a surprisingly short growing season, alkaline soil, and competition for resources from animals, insects and undesirable plants.

### YOU CAN MAKE A DIFFERENCE

Prescott Creeks is a community-based non-profit organization supported by a passionate membership and community volunteers. You can make a difference for future generations by [becoming a member](#).
