

Handy-Helper

Volunteer Position Description

Prescott Creeks is a small not for profit organization with a 30-year track record of protecting nature in the community. A handyman is needed to do small repair jobs and maintenance tasks. The ideal person for this opportunity is one who can work well independently and well with others. If you have skills and a couple of extra hours each month, we could use your help. We have many of the tools needed or can usually borrow them. What we lack are the time and skills. This would mostly be at our office, or the adjoining Watson Woods Riparian Preserve.

PRINCIPAL DUTIES AND RESPONSIBILITIES:

By nature, this position will be highly variable over time.

- Basic/light building maintenance and repair as needed for our ~50-year-old building
- Hand-tool maintenance
- Fence repair
- Painting
- Other tasks as needed

SKILLS AND QUALIFICATIONS:

- Landscaping, Gardening, Drip Irrigation
- Light Construction
- Janitorial Maintenance
- Woodworking
- Painting
