Join almost 500 of your friends and neighbors by volunteering to clean up a reach of creek, park, or trail. Get outside and get dirty while making a difference. Now in its 15th year under Prescott Creeks leadership approximately 6,500 participants have removed over 50 tons of trash and debris from Prescott area waterways, trails, and natural areas.

Sponsors and partners make this event possible! Prescott Creeks welcomes **Findlay Subaru Prescott** as the Premier Sponsor for the 2022 Granite Creek Cleanup! The City of Prescott and Yavapai County GIS are key operational partners. Additional sponsorships are available through March 30th. For sponsorship information, call the Prescott Creeks office at (928) 445-5669.

Pre-Registration is REQUIRED for those interested in participating. This allows for an efficient contactless drive-up sign-in process at the event and gets participants out to their cleanup locations faster. More information is available on the Prescott Creeks website at www.PrescottCreeks.org/Cleanup. For questions, email Cleanup@PrescottCreeks.org or call (928) 445-5669. All pre-registered participants will be contacted by email the week before the event with details about sign-in procedures, assigned cleanup location, and other relevant event information.
