

GRANITE CREEK CLEANUP

23 April 2022 GUIDELINES

Thank you for helping keep Prescott beautiful!

Granite Creek Cleanup:

Welcome! The 2022 Cleanup proves to be the second largest in our 15 years hosting the event. Over 600 people are coming together to make a difference in their community! That's impressive. Things to know: **1.** Pre-Registration was required – additional t-shirts are not available. **2.** Drive-Up Sign-In worked so well, we're doing it again, **3.** Dispersed Outdoor Cleanup Locations – People are assigned to almost 50 locations around the watershed!

Please have a safe and fun Granite Creek Cleanup experience!

General Recommendations and Guidelines

- APPAREL:** We recommend water-resistant, hard-soled shoes or boots, long pants, long sleeved shirts, and work gloves. Don't forget your big, shady hat and sunscreen.
- LEAVE:** Car batteries, barbed wire, hazardous waste, or large items (over 5 ft.) in place and notify Prescott Creeks personnel of the location. Use the [NEW REPORT LARGE DEBRIS APP](#), or if possible, return to Granite Creek Park and show us on the map where you found these sorts of items. We will let the proper authorities know in an effort to get them collected.
- DROP-OFF LOCATIONS:** Drop-off locations are marked with orange traffic cones and small signs. Please place full trash bags in groups behind the cones. *Do not put bags in dumpsters or on streets or sidewalks.* **Bags must be visible to collection truck drivers.** Trash removal by City of Prescott Solid Waste Department will occur after the event. Collected refuse will be weighed and recorded. We'll email you with the results of your work.
- TIRES:** If you find tires, please remove as much dirt and debris from the inside as possible. Place tires at drop-off locations in a separate pile (*not* mixed in with bags) so City of Prescott Solid Waste Department can direct them to the appropriate recycle location.
- CAMPS:** If you encounter a suspected homeless camp, evaluate if it appears inhabited (tent sites, medicines, food, etc.). If inhabited, please avoid the camp. If it appears abandoned, **carefully** proceed with the cleanup. Please also let us know where you found the camp when you return to the park.
- EVENT END TIME:** *All good things must come to an end...* City of Prescott Solid Waste crews will make all the rounds and get us a total collection weight early Monday morning. Please **have all collected trash & debris to DROP-OFF locations by 5 PM on Sunday 4/24.** We will email you with the results of your work.
- After Party:** Join Prescott Creeks at Founding Fathers Collective (218 N. Granite St.) in your event T-shirt and enjoy discounts. Celebrate making a difference in the community! Check the [Prescott Creeks website](#) for details.
- PHOTOS:** Please share any pictures, video, or stories you capture of people having a blast while improving their community. Email pictures and video Cleanup@PrescottCreeks.org. We'd love to hear/read your stories, too! Post pictures and video to social media using the following tags:
